Principal's Message

To the Seniors:

Upon returning to Lillington High School following a two year absence, I encountered a group of students who called themselves Seniors. The faces resembled remarkably a group of Freshmen I once knew, but the people were unmistakably different. At once it was apparent that these students had matured into responsible young adults.

As you, the Graduating Class of 1973, strive for success in life, I issue to you the challenge of flexibility. You live in a world that is changing at an almost unbelievable rate; a world in which the problems and decisions that will confront you are presently nonexistent. In order to cope with this change and insure a better chance at happiness and success, individual flexibility will be of supreme importance.

I wish for each of you the best that life has to offer.

Sincerely,

Jerry R. Ennis

A Time To Study??????????

"The Development Of Labor."

Developmental Reading Laboratory

Mrs. Adcock, reading teacher, checking student's progress with the Craig Reader.

Lillington School provides an opportunity for the improvement and expansion of reading skills through the Developmental Reading Laboratory. Equipped with the most modern audio-visual devices, the reading laboratory utilizes independent study and self-pacing. An integral part of the student's participation in the program involves the media center.

A typical reading group in the media center under the guidance of Mrs. Wortman, reading tutor; and Mrs. Allen, reading aide.

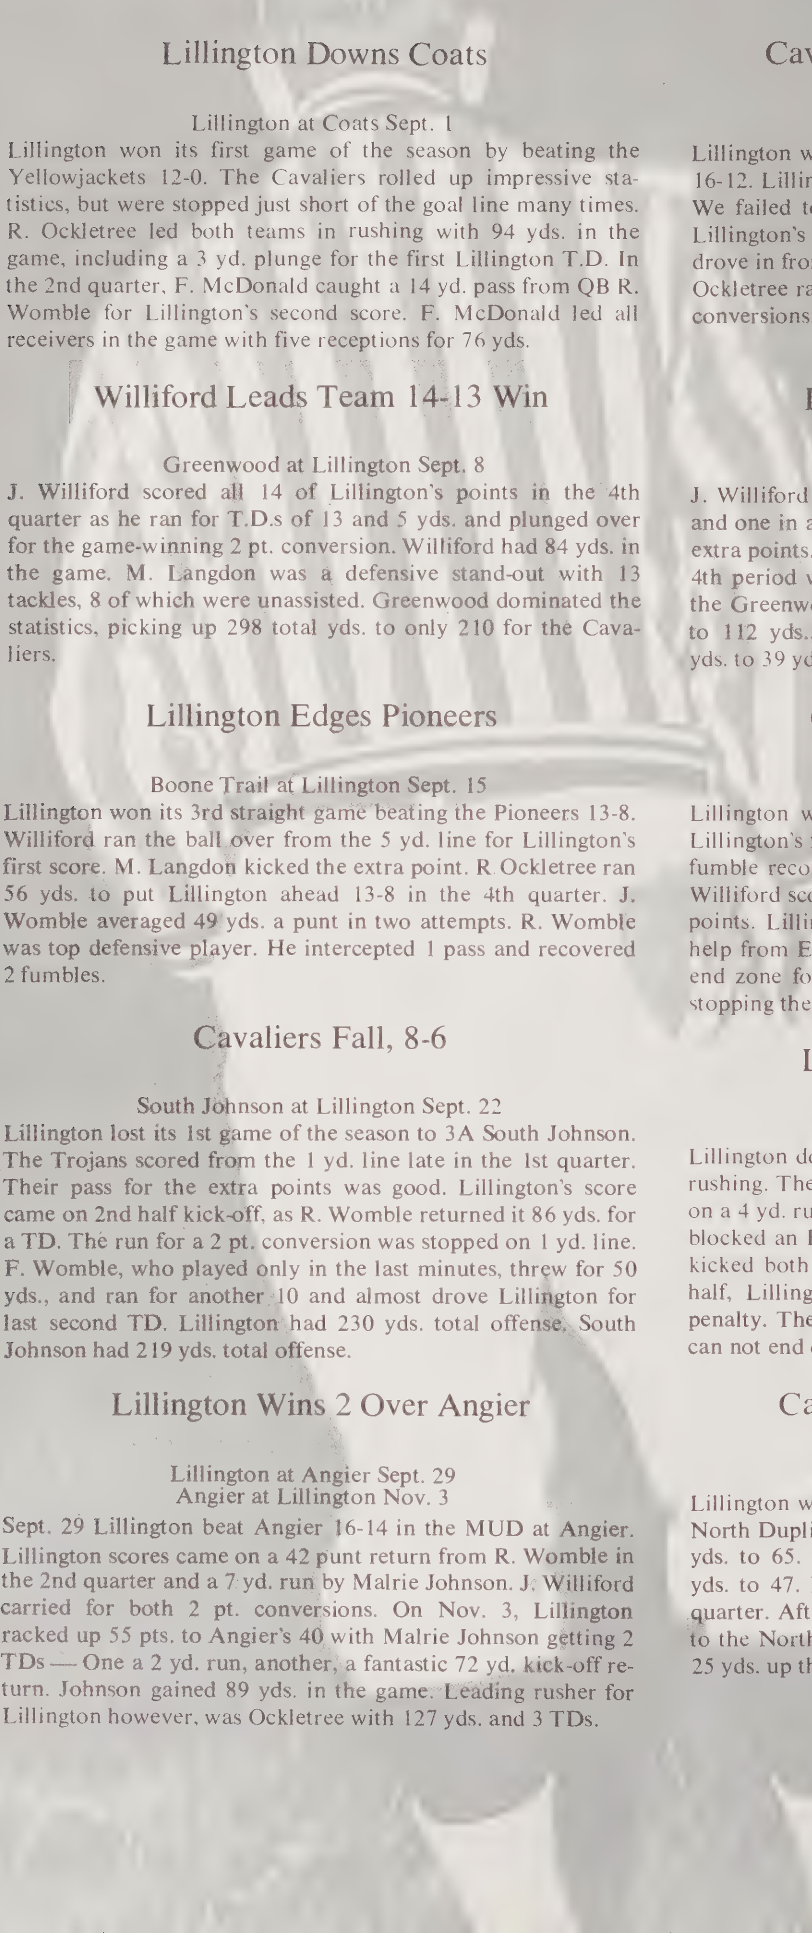
Cardiac Kids' Season



Lillington Downs Coats

Lillington at Coats Sept. 1

Lillington won its first game of the season by beating the Yellowjackets 12-0. The Cavaliers rolled up impressive statistics, but were stopped just short of the goal line many times. R. Ockletree led both teams in rushing with 94 yds. in the game, including a 3 yd. plunge for the first Lillington T.D. In the 2nd quarter, F. McDonald caught a 14 yd. pass from QB R. Womble for Lillington's second score. F. McDonald led all receivers in the game with five receptions for 76 yds.

Williford Leads Team 14-13 Win

Greenwood at Lillington Sept. 8

J. Williford scored all 14 of Lillington's points in the 4th quarter as he ran for T.D.s of 13 and 5 yds. and plunged over for the game-winning 2 pt. conversion. Williford had 84 yds. in the game. M. Langdon was a defensive stand-out with 13 tackles, 8 of which were unassisted. Greenwood dominated the statistics, picking up 298 total yds. to only 210 for the Cavaliers.

Lillington Edges Pioneers

Boone Trail at Lillington Sept. 15

Lillington won its 3rd straight game beating the Pioneers 13-8. Williford ran the ball over from the 5 yd. line for Lillington's first score. M. Langdon kicked the extra point. R Ockletree ran 56 yds. to put Lillington ahead 13-8 in the 4th quarter. J. Womble averaged 49 yds. a punt in two attempts. R. Womble was top defensive player. He intercepted 1 pass and recovered 2 fumbles.

Cavaliers Fall, 8-6

South Johnson at Lillington Sept. 22

Lillington lost its 1st game of the season to 3A South Johnson. The Trojans scored from the 1 yd. line late in the 1st quarter. Their pass for the extra points was good. Lillington's score came on 2nd half kick-off, as R. Womble returned it 86 yds. for a TD. The run for a 2 pt. conversion was stopped on 1 yd. line. F. Womble, who played only in the last minutes, threw for 50 yds., and ran for another 10 and almost drove Lillington for last second TD. Lillington had 230 yds. total offense. South Johnson had 219 yds. total offense.

Lillington Wins 2 Over Angier

Lillington at Angier Sept. 29
Angier at Lillington Nov. 3

Sept. 29 Lillington beat Angier 16-14 in the MUD at Angier. Lillington scores came on a 42 punt return from R. Womble in the 2nd quarter and a 7 yd. run by Malrie Johnson. J. Williford carried for both 2 pt. conversions. On Nov. 3, Lillington racked up 55 pts. to Angier's 40 with Malrie Johnson getting 2 TDs — One a 2 yd. run, another, a fantastic 72 yd. kick-off return. Johnson gained 89 yds. in the game. Leading rusher for Lillington however, was Ockletree with 127 yds. and 3 TDs.

Cavs Close In On Conference Title

Coats at Lillington Oct. 6

Lillington won its 5th straight conference game beating Coats 16-12. Lillington rolled up 199 total yds. to only 95 for Coats. We failed to score several times because of many turnovers. Lillington's first score came in the 3rd quarter when Williford drove in from 3 yds. out. With only 5:06 remaining in the game Ockletree ran for 34 yds. and a TD. Williford scored both 2 pt. conversions.

Lillington Ties Hornets 14-14

Lillington at Greenwood Oct. 13

J. Williford scored Lillington's 2 TDs, one in the 3rd quarter and one in a 2 yd. run in the final period. Ockletree scored the extra points. Only completed pass of the game was set up in the 4th period when F. Womble threw a pass to F. McDonald to the Greenwood 14. Lillington outrushed Greenwood 241 yds. to 112 yds., while Greenwood out-passed the Cavaliers 138 yds. to 39 yds. The score, 14-14.

Cavaliers Win Championship

Lillington at Boone Trail Oct. 20

Lillington won a defensive battle beating Boone Trail 10-6. Lillington's first TD came in the 3rd quarter. It was set up by a fumble recovery by M. Langdon on Boone Trail's 35 yd. line. Williford scored from 6 yds. out for a TD; he also ran for extra points. Lillington's other 2 pts. came when J. Langdon, with help from E. Coleman dropped the Pioneer punter in his own end zone for a safety. T. Beasley was defensive stand-out by stopping the Boone Trail running game up the middle.

Lillington Takes No. 7, 14-12

Lillington at Erwin Oct. 27

Lillington downed 3A Erwin with a good defense and 202 yds. rushing. The Cavaliers scored their first TD in the 3rd quarter on a 4 yd. run by Malrie Johnson. Moments later F. McDonald blocked an Erwin punt and ran 15 yds. for a TD. M. Langdon kicked both extra points. On a disputed play, ending the 1st half, Lillington scored a TD which was called back for a penalty. The official ruled the half over. Even though a half can not end on a penalty, Lillington did not get another play.

Cavaliers Lose In Play-Offs 53-6

North Duplin at Lillington Nov. 10

Lillington was completely overwhelmed by a faster and bigger North Duplin team. North Duplin outrushed the Cavaliers 402 yds. to 65. Lillington did manage to out pass the Rebels 59 yds. to 47. Lillington's offensive bright spot came in the 3rd quarter. After a 47 yd. pass from R. Womble to F. McDonald to the North Duplin 32 yd. line, J. Williford on 4th down ran 25 yds. up the middle for a TD. The 2 pt. conversion failed.

Varsity Cheerleaders

The 1972-73 athletic year has been a mixture of laughter, smiles and tears for many; but especially the cheerleaders. We have laughed at: Regina's questions, cheerleading camp, burned coconut and Run, Run, Run. We smiled at: all our teams, many fans, the bon fire, and Mr. Ennis. And we cried over: rain on Homecoming, the loss with North Duplin, the last ride from a basketball game, and when I forgot how to spell CAVALIERS. Thank you, Varsity Cheerleaders for "Keeping the Faith."

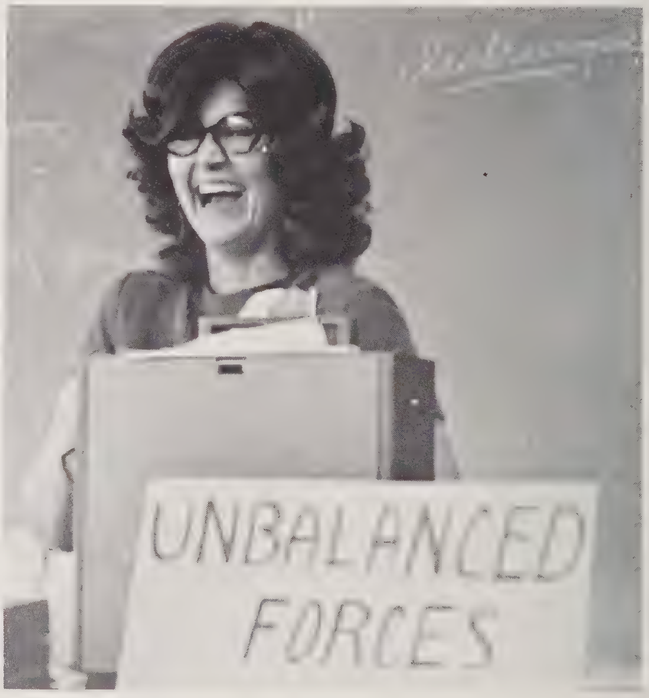
MRS. SANDRA SMITH

Dedication

This edition of FOOTPRINTS is dedicated to a well deserving teacher who has contributed a great deal to our social and educational growth while at Lillington School. It was her helpful and guiding hand that made our years here successful. Through her never ceasing efforts and good humor, the 1972 Junior-Senior was possible. With appreciation, respect, and love, we dedicate the 1973 FOOTPRINTS to MRS. SANDRA SMITH.

A difficult subject made easy by her clear explanations.



Mrs. Smith displays good humor in the classroom.

Senior Class History

THE 1973 SENIOR CLASS HISTORY

In the school year of 1969-70, Lillington High School opened its doors to a large, but inexperienced group of people, better known as the Freshmen of LHS. In fact, there were so many of them roaming aimlessly around that everywhere an upperclassman went, Freshmen were sure to be there. A senior might trip over one as he walked down the hall. The Freshmen would fall out of lockers, crawl from under desks, drop from the ceiling, and even come out of the cracks in the sidewalks. But even in their great numbers, the Freshmen were shy, timid, little creatures, especially on Freshmen Day. That was the day the seniors got their class rings. You could see the Freshmen peep around corners, dart from class to class, and tip-toe down the halls. The day after, of course, many had bumps and bruises, but they survived their first great test. Some of the biggest worries that the Freshmen faced were being accepted by the upperclassmen, being included in the clubs, and getting along with the teachers. With all this to worry them, at times they even worried about grades. At the close of the year, the rising Sophomores crawled back into the cracks of the sidewalks to await the coming year, hoping it would be better than the last.

During the summer of 1970, a great metamorphosis was taking place in the rising Sophomores of LHS. Their summer activities gave them poise, confidence, and an irresistible charm. The whole class had enrolled in a crash course at Lulu's School of Charm and Poise. They also took a free mini-lesson at Arthur Murray's Dance Studio. When school started in the fall the word was: "Look out faculty, here they come, the Sophomore Class! They walk, they talk, and charm themselves right into your hearts." And they did. After that year there wasn't a teacher who didn't love them or hate them, there was no inbetween. That year the Sophomores were looking forward to ballgames, picking on freshmen, being tapped into the Beta Club, being waiters and waitresses for the Jr.-Sr. Prom, and cutting up frogs in biology. The Sophomores put the LHS Beta Club in the record books as being the first time any Beta Club had ever tapped in a whole class! Thus, they added intelligence to the long list of assets that they were to acquire over the years. Near the end of the year, some were chosen to be waiters and waitresses at the Jr.-Sr. Prom. There, of course, proving their talent as entertainers. When that year was over, they needed the sidewalks no more. The rising Juniors went to the parking lot and rode off with the rising seniors.

When the nouveau Juniors came to school in 1971, they came in style — Cameros, Mustangs, Volkswagons, Novas, and even a truck and a van or two. Actually, every day at 3:15 all the Juniors revved up their engines, and gave passersby the impression of being at the Rockingham 500. The Juniors had so much to do that year — ordering rings, deciding on the class motto, flower, colors, choosing a mascot, selecting committees for planning their Jr.-Sr., and raising money. And money, they did raise. The Juniors had a great plan. They were going to open a department store. In stock they had magazines, cookbooks, stadium seats, cakes, and they even had a clothing department with three kinds of tee-shirts. Between April 23-28, there wasn't a Junior in class. They were either in the bathroom washing chalk off their hands and faces or running around school begging newspapers and tin foil. They never could have done it without their very determined and dedicated sponsor, Mrs. Smith, who never said, "It can't be done!" Most of the time the Juniors never knew whether they were coming or going, but they went anyway. They rushed through the Summer of '72 to become the Seniors of '73.

The year 1973 was a year to remember. It was then that the Seniors realized that they had four new and different principals over the past four years of high school! Could it be that this large group of students ran all of the principals away? The principal in their Freshman year was Mr. Cummings. He was a nice-looking man, but he left because he just couldn't cope with the fact that everywhere he went he tripped over Freshmen. In their Sophomore year, Mr. Eaker was principal. He must have felt that he didn't have enough poise and self-confidence to keep up with those daring Sophomores. When we come to the Junior year, we find that Mr. Poore got along pretty well with those Juniors. But he must have seen the light and realized he couldn't spend the rest of his life writing notes giving the Juniors of LHS permission to get out of class in order to decorate the gym. With Mr. Ennis, it was a completely different story. He was a firm man and he could conquer those speedy Seniors as if they were ants under the foot of a human. The Seniors left with confidence that Mr. Ennis would stay principal of Lillington High School for many years to come because his courageous feat had been accomplished; The Seniors of '73 are gone forever. If it wasn't for Mr. Ennis, the Seniors would never have been able to go on the many field trips planned by devoted teachers. In fact, there were so many field trips planned in one week, that Senior teachers had to give up trying to teach. Mrs. Stewart was so tired of having no class that she went so far as to continue teaching the only student left in her shorthand class. How could Lillington High School manage without those Seniors of '73? The office could not get along without its Senior Office Assistants. Some of the Seniors devoted their study halls to working in the library. Mrs. Wortman could never get along without seeing the Seniors' smiling faces and their great ways of keeping the Library "Quiet." During sixth period Office Practices Class, the Senior girls could be seen running all over school doing work for teachers. How could the teachers make it without their help? Yes, that was a great year. It was the best, worst, happiest, and saddest year the Seniors had ever known. It was the longest, shortest, year and was gone much too quickly; but it was a memorable year. It was the year they had the best football team in the county, the best looking basketball team in the district, and the most fantabulous looking girls in the state. That was the year they had a great, great annual, great teachers, and great times. Only too late did they realize how exciting it really was to be a part of Lillington High School. After the Prom, invitations, gifts, and graduation, it was rather sad to look back and say, "We did it and we wouldn't have missed it for the world."

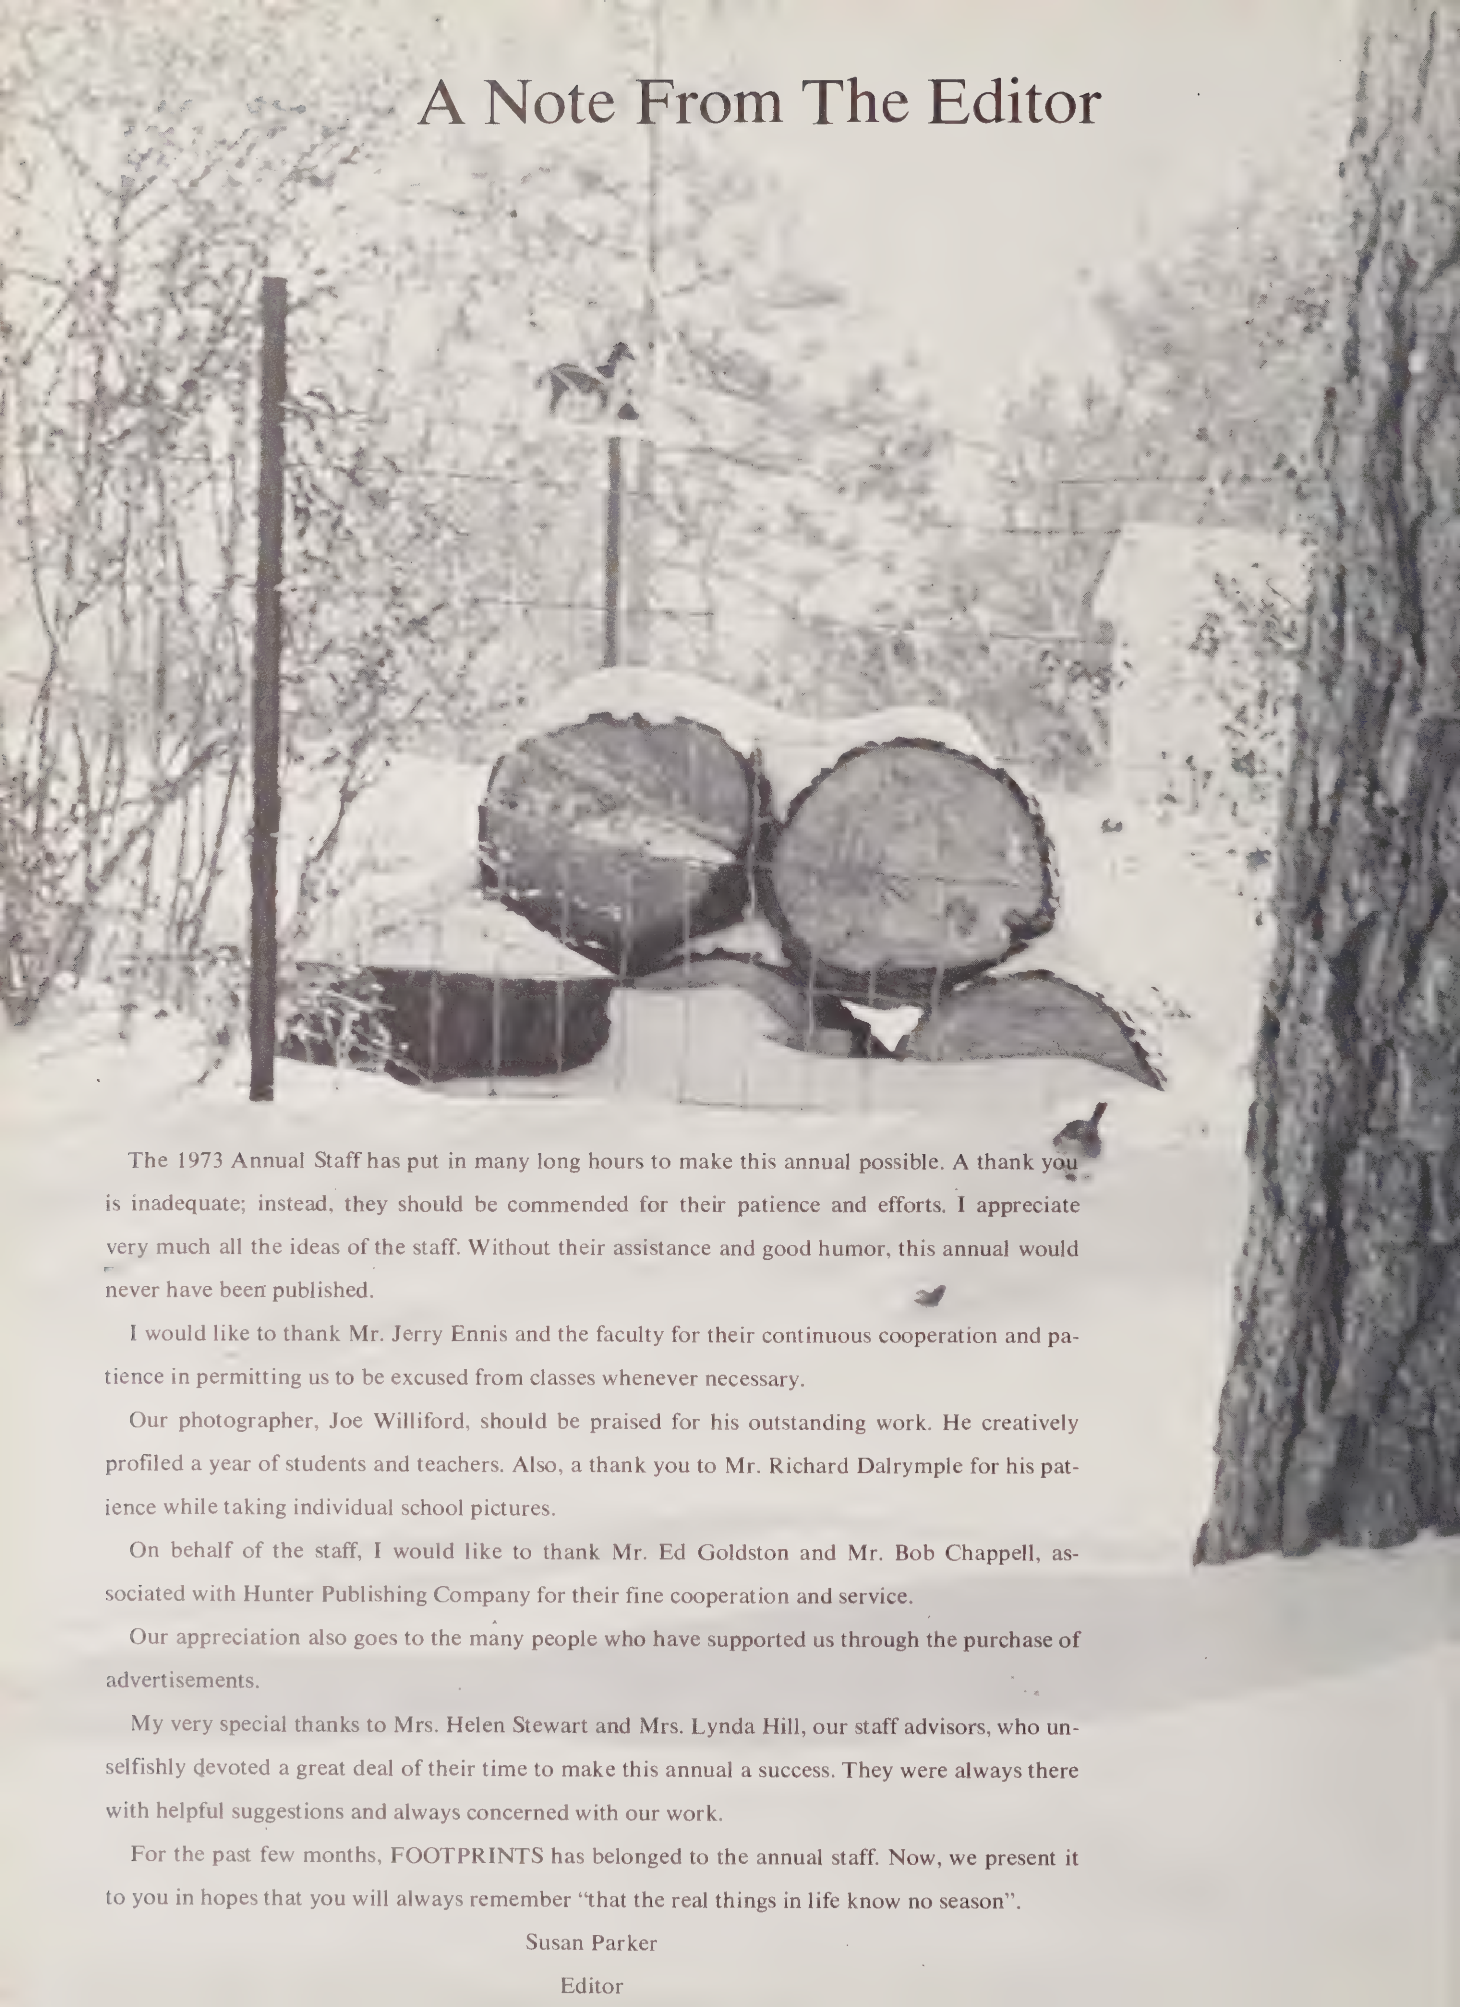
A Note From The Editor



The 1973 Annual Staff has put in many long hours to make this annual possible. A thank you is inadequate; instead, they should be commended for their patience and efforts. I appreciate very much all the ideas of the staff. Without their assistance and good humor, this annual would never have been published.

I would like to thank Mr. Jerry Ennis and the faculty for their continuous cooperation and patience in permitting us to be excused from classes whenever necessary.

Our photographer, Joe Williford, should be praised for his outstanding work. He creatively profiled a year of students and teachers. Also, a thank you to Mr. Richard Dalrymple for his patience while taking individual school pictures.

On behalf of the staff, I would like to thank Mr. Ed Goldston and Mr. Bob Chappell, associated with Hunter Publishing Company for their fine cooperation and service.

Our appreciation also goes to the many people who have supported us through the purchase of advertisements.

My very special thanks to Mrs. Helen Stewart and Mrs. Lynda Hill, our staff advisors, who unselfishly devoted a great deal of their time to make this annual a success. They were always there with helpful suggestions and always concerned with our work.

For the past few months, FOOTPRINTS has belonged to the annual staff. Now, we present it to you in hopes that you will always remember "that the real things in life know no season".
